

The Sasbo Black Women Chapter Education Assistance Scheme is inviting bursary applications. The closing date for applications is 31 January 2023

Funding will be determined on an annual basis by a committee for a single student at any South African State high school (up to R6 000) or tertiary education body (up to R15 000).

The decision of the committee will be final. Under no circumstances will a late application be considered.

The definitions and criteria covering the selection process are:

- Applicants must be African, Coloured or Indian women resident in the Republic of South Africa.
- The joint remuneration threshold of applicants must not exceed R350 000 per annum.
- Applicants must be Sasbo members in good standing, as defined by the union's Constitution.
- In order to qualify for the assistance on offer, applicants must be able to demonstrate the ability to advance to the next level of education.
- In the event where a learner fails to demonstrate the ability to be promoted to the next level of learning based on the learner's year-end results, the committee of this Scheme reserves the right to decline or withdraw such assistance.
- Assistance will be limited to only one learner per family.
- The committee may consider the number of learners per family in relation to the household income.
- The Sasbo Black Women Chapter Committee will have the sole discretion to make decisions that it considers to be reasonable and fair under the circumstances. Applicants are urged to fill in their applications neatly and accurately as unclear applications will not qualify for consideration.
