

Sasbo study grant applications are open

Annually Sasbo offers 50 study grants of up to R4 000 each to help members (and/or their children) to further their tertiary educational ambitions.

Please note the following:

- There is no age ceiling to the grant qualifications.
- The grants are solely for students undergoing approved forms of tertiary education. The grants do not apply to any other branch of education.
- We receive many applications for the grants. Only 50 of the applicants whose names will be drawn in April or May next year will be fortunate enough to receive Sasbo's help.
- Do not submit more than one application. Additional applications are discarded.
- Complete applications in full with all supporting documents attached.

The rules

The rules governing the allocation of Sasbo study grants are:

- Applicants must be Sasbo members in good standing.
- If the required grant is for a child, at least one parent should be a Sasbo member in good standing.
- No other relatives (i.e. sisters, brothers, inlaws, etc.) will be considered.
- The student has to be in his/her second year of study – or beyond – at a recognised tertiary educational institution.
- The grants are not available to cover school fees or other forms of education. Each application needs to be accompanied by:
 - Proof of successful completion of your 2022 studies.
 - Proof of your 2023 registration/enrolment, and tuition fees paid, or payable.

To ensure that their applications are considered, applicants should answer all the questions on the application form on this page. Please write clearly. The closing date for applications is 28 February 2023. Successful applicants will be contacted telephonically in April or May 2023 after the final draw has taken place and the names of the successful applicants will be published in Sasbo News.
